I had the joy of planning an exciting trip to the Rivermen Territorial Rendezvous in Moscow, TN for my outpost and friends. And let me tell you brother what a story! We added a couple extra days and few - ok a lot of extra miles to our journey; but it was an outpost trip to remember. We left on Monday and went to the Casey Jones Railroad Museum and had a buffet supper to die for in Jackson, TN. Then we slipped on down to Shenandoah, TN to spend the night at a fellow RR outpost's church. Two local outposts met us there and we had a great time of fellowship and games in their gym. Tuesday we visited the General Grant monument and the Tennessee River Museum there. That afternoon went to the Shiloh National Battleground for our own private tour for about 3 hours set up by our one and only Evangel Professor and Nat'l Park officer Larry Toll. Then we headed on over to Moscow, TN stopping for a nice supper in route, only to be greeted by a freezing rain falling down on our desired early camp setup. No problem for most, but most of our guys bailed out on Dustin, Dave and I and spent a warm cozy night in a local motel - their loss, we enjoyed a fun evening practicing our primitive archery skills (not that it did any good in the competition) in the barn and snuggled down into our warm blankets early. Wednesday morning the sun was shining and the rest of our company returned with a biscuit and hot chocolate for us. Camp set up was leisurely and fun as we enjoyed the excellent fall weather. Finally all of our FCF brothers started pouring into the valley getting ready for a fantastic Rendezvous. Contests were heated, Trading was rampant, Council Fires were awesome. All I can say in summarization is I can't wait for the next Rendezvous - no matter where it is or how long it take me to get there! ~ Rick "Simon Tanner" Dostal

From the Prez

Greetings Fellow FCFers, I want to wish you a Merry Christmas and get you primed for the Daniel Boone Chapter's year of our Lord 2012 exciting schedule. As always our Winter outings are a great time of fun and fellowship and you are welcome to attend the one in your own Division or if you are off visiting Grandma in another part of the state come on over to one nearby. Since this is a national event year – Camporama – we will be having our Frontier Adventure at the same time as the Spring Outing in May so get your Trail of the Grizzly merits done early. I look forward to seeing you at the many opportunities on our calendar this year so don't be shy, come on over and say howdy! ~ Fred "WW" Lipowicz

Company Clerk's CIPHERIN

It's shinning times we have had in the Daniel Boone Chapter. These past 6 years have flown by in a hurry. It has been an honor and a pleasure to serve as Company Clerk by keeping records, memberships and trappers brigade points as well as dues and various other numbers. You all have taught me how to give and to serve. I look forward to seeing you all at the many Royal Ranger and FCF events. God has been good to all of us and it's been a blessing to see this Chapter grow and be busy about Reaching, Teaching and Keeping for Christ. We in our Chapter are blessed with men after God's own heart. Keep up the great work and be as kind to David Hines as you were to me. When we get it right say good job and when we got it wrong say... "cipher a bit more on that partner". GRIN! Love you all in Jesus Name.

~ Mark Jones, Company Clerk

I hope you all will join me in saying, "JOB WELL DONE" to our out-going Company Clerk, Mark Jones who has stepped down for a time of refreshing – but know this, he is still expected to attend all RR/FCF events! Simon Tanner

And now if you will also join me in saying "WELCOME" to our newly appointed Company Clerk, David Hines, a friend to Rangers and I am sure who will be a great asset to the Daniel Boone Chapter ...

Mark Jones has set a standard for the position of Company Clerk. I intend to meet that standard as well as enjoy the service I have been appointed as your new Company Clerk. This honor will give me a chance to get to know the FCF family better and will allow me to provide service to that family and to those just joining in on this adventure. My love for the FCF department of Royal Rangers will no doubt help to continually motivate me to be the best servant I can be during my tenure as your new Company Clerk. Thank you for the opportunity!
